Missionaries in His  
service 'til He comes

May 19, 2017

Greetings!

Thank you for your faithful prayers for us in these sunset years of our live. Without your prayers and financial support, we could not do what God has called us to do since 1966. God is faithful and His grace is sufficient.

**Soul Winning** As you know, we have many people who enter our home daily to care for Carol and me. This presents a wonderful opportunity for us to present the Good News of the Gospel. I find two very important things in dealing with these people, (most attend churches and profess to be Christians); (1) they do not believe in the bodily resurrection of Jesus Christ. They say that only His spirit came out of that tomb. (2) they all add their good works to God's grace in order to be saved. It is important that these two facts should be taught and stressed from every pulpit and in the Sunday School Class. Heaven is not available for those who disbelieve the bodily resurrection of Jesus Christ or if they mix good works with grace. Titus 3:5

**Discipleship** Each person who trusts Jesus Christ as their personal Savior receives the BASIC BIBLE PRINCIPLES Discipleship Study book from the SWORD OF THE LORD, (P.O. Box 1099, Murfreesboro, TN 37133.) I am able to set at our dinner table with some and study the questions with them. Some are changing churches and attending Bible believing, Bible teaching churches. What a joy to see the changes in their lives!

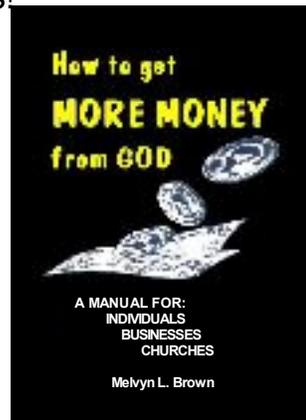

**Something New** I have just publish the stewardship materials we have used in the Philippines since 1982. This material has been taught in everyone of our churches there and all of these churches (over 100) have become self-supporting, independent Baptist Churches pastored by our national graduates. None of these pastors have come to the States to raise support for their ministries. This material has been printed on 8.5 X 11 paper and is being used all over the world by national pastors and American missionaries.

This book, HOW TO GET MORE MONEY FROM GOD is now available in paper back form and is available at [www.bama4u.org/new.htm](http://www.bama4u.org/new.htm)

This is a proven method on how to have financial freedom. Every missionary, national pastors, individuals abroad and here in America should have a copy of this manual. Let's teach nations how to trust God for their money; money for their land and for their buildings and not from the Americans. This manual will teach them how to do it.

In His service until He comes,
