

# BIMI MISSIONARY EMERITUS

## Melvyn L. Brown

April 2, 2021

Dear Interested and Praying friends,

This past 12 months has been a time that none of us will soon forget. And the future of our country certainly does not look very promising either at this writing. BUT, one thing is for sure, God is still on His throne and He is still in control. My faith is in God and the promises He gives us in His Holy Word the Bible and because of this I have rest and peace in my heart. I am "rapture ready" and I am looking for the "upper taker" to come and take me home to heaven forever. Amen!

Satan knows his time is short and he is doing everything he can to hinder the work of God, even in my ministry. Please let me explain. For many years, I have been producing soul winning DVDs for children and adults. Many churches and friends have assisted me in this endeavor. I have even mailed these to every home in Clay, AL. Friends in five other states have given me the addresses in their area, totaling over 600 addresses. I have learned that a number of these DVDs did not arrive at many addresses. Satan hindered it.

Another attack: my web site, [bama4u.org](http://bama4u.org), which has soul winning videos, sermons, teaching materials, was deleted from the server that I have used for years. Everything was lost but two files out of over 5,000. Satan attacked again.

Well, I am not giving up. These ministries are continuing. Satan is not going to win this battle. Here is what I am doing: **I need each one of you to get involved in reaching your street with the Gospel of Jesus Christ.** You can do this by sending me a list of addresses of every home on your street and I will mail each home a letter with my "Are you Prepared" DVD. The DVD is in English, Spanish and Sign Language.

**Please view what is on this DVD at [www.bama4u.org](http://www.bama4u.org) at the bottom of the Home page.**

Your name or address will not be mentioned. How will they know about Jesus and the Good News unless we do this? This will not cost you a dime, only a little of your time. Are you concerned for them? **I NEED YOUR HELP!**

The **bama4u.org** is up and running now. PTL! I have added our **BAMA Bible Institute Program** at no cost to anybody who wants it. I need your help:  
1) Go to **bama4u.org** and take a look at all the helpful things that are there. 2) Add this address to your web site, e-mail, text, Face Book and tell your family and friends about this. Thank you for your prayers, help and financial support as the Lord leads.

Yours in Christ, 

*This is what I do: I assist & relieve missionaries, assist in planting new churches. I also hold conferences for our National and American Pastors in the Philippines & other countries. I produce our Bible Institute curriculum on DVD and make it available, as well as produce soul winning DVDs, etc. I am not retired but serving the Lord until He takes me home.*
